

Alma

design **Javier Mariscal** / 2006

The heart of the Alma project lies in the ribbing of the backrest. Structurally necessary, it was resolved by making the branches of a tree, upon which Mariscal's creative impetus accordingly perched some little birds here and there. It comes in three colours: green, orange, and white.

material /

polypropylene with glass fibre added. Standard injection-moulded. Suitable for outdoor use.

"Indoor or outdoor, Alma will be your favourite place to sit."

certification

colours /

Matt colour

**Javier
Mariscal**

Mariscal's professional activity has always moved easily and confidently from one discipline to another, thanks to his untiring curiosity and his passionate drive for innovation, contributing to make everyday life more interesting, easier and friendlier. Mariscal is internationally renowned and his work reverberates widely in the media, due to the fact that he knows how to communicate directly with the general public, as does his work. Since his great speciality is drawing, his approach to any commission is an artistic one, using a universal, timeless language which adds value, uniqueness and emotional depth to his projects.
