

DESIGN BY HEE WELLING & HAY

HAY

AAS 38

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman, and a sofa
- Variety of shell colours and base finishes
- Available with plastic shell, with front upholstery (AAS 38) and full upholstery (AAS 39) in a large selection of fabrics and leathers
- All shells are made from 100% recycled post-consumer plastic
- A majority of the unupholstered models are certified with the EU Ecolabel across the whole chair and bar stool series
- Also available with moulded plywood legs
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAS 38 DESIGN BY HEE WELLING & HAY

Featuring a curved backrest and elegant rounded frame in metal, About A Stool AAS 38 offers a more industrial expression, while sharing the same versatile profile as the other designs in the collection. The post-consumer recycled plastic seat is offered in a wide palette of contemporary colours and multiple front upholstery options, with the sled base available in two heights in different steel finishes. The series' simple yet strong visual presence makes it ideal as a bar stool in a variety of corporate, public, and private contexts.

Lounge and public seating

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
