TRAY TABLE

HIGHLIGHTS

- A functional and flexible table designed for everyday use
- Practical tray top can be removed for carrying items
- Lightweight and easy to move around
- Made in steel in a range of sizes, finishes, and colours
- Suitable for a wide variety of private and public environments

TRAY TABLE DESIGN BY HAY

Combining a functional design with an elegant rectangular form, the Tray Table adapts easily to different needs. Serving as a small coffee table, bedside table, or side table next to a sofa or lounge chair, it features a removable top that becomes a practical tray for carrying items. Made in steel in a range of finishes, sizes, and colours – including selected two-tone variants – it offers a simple, flexible solution for everyday use.

SUSTAINABILITY

At HAY, we believe good design should stand the test of time. That principle shapes the decisions we make – from the materials and suppliers we work with to the certifications we pursue to ensure our products meet recognised standards. We use recycled content where possible, FSC®-certified wood (FSC-C148805), and bio-based foam that helps lower our products’ overall carbon footprint. We are also increasing the number of products certified with the EU Ecolabel and the Nordic Swan Ecolabel, reflecting our ambition to make lower-impact choices across our assortment. HAY follows strict regulatory requirements, and most of our products are tested to meet international standards for strength, durability, and safety.
